Cell Lines SCA28 Publication

L-11388

IDENTIFICATION

Causal gene(s)	AFG3L2
Repeat size or mutation	c.1847A>G p.Y616C (heterozygous); unaffected mother from L10182
Cell type	Fibroblast

DONOR INFORMATION

Donor gender	Female
Ethnicity	German
Age at disease onset (years)	NA
Age at collection (years)	58
