Cell Lines SCA3 Publication

SCA3-GE (genome-edited)

IDENTIFICATION

Causal gene(s)	ATXN3
Repeat size or mutation	WT
Cell type	hiPSC

DONOR INFORMATION

Donor gender	Female
Age at collection (years)	31; CRISPR-modified from ZZUi004-A

SOURCE & PUBLICATIONS

Originating lab / institution	First affiliated Hospital of Zhengzhou University
Links to publications or public resources	Genome editing in spinocerebellar ataxia type 3 cells improves Golgi apparatus structure - PubMed https://pubmed.ncbi.nlm.nih.gov/40204795/
